## INDEPENDENT AUDITOR'S REPORT

The Honorable Chairman and Members  
of the Board of Commissioners  
Central New Jersey Regional Employee Benefits Fund

We have audited the accompanying basic financial statements of the Central New Jersey Regional Employee Benefits Fund (the "Fund") as of December 31, 2010 as listed in the foregoing table of contents. These basic financial statements are the responsibility of the Fund's management. Our responsibility is to express opinions on these basic financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and in compliance with audit requirements as prescribed by the Department of Banking and Insurance, State of New Jersey. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the basic financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion the basic financial statements referred to above present fairly, in all material respects, the financial position of the Fund as of December 31, 2010 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 12, 2011, on our consideration of the Fund's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

The Management's Discussion and Analysis information as listed in the table of contents is not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was performed for the purpose of forming an opinion on the financial statements of the Central New Jersey Regional Employee Benefits Fund taken as a whole. The accompanying supplementary schedules, listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

The Honorable Chairman and Members  
of the Fund of Commissioners  
Central New Jersey Regional Employee Benefits Fund

We have audited the financial statements of the Central New Jersey Regional Employee Benefits Fund as of and for the year ended December 31, 2010, and have issued our report thereon dated May 12, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and audit requirements as prescribed by the Department of Banking and Insurance, State of New Jersey.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Fund's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Fund's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies or material weaknesses. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses as defined above.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Central New Jersey Regional Employee Benefits Fund's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit,

and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and audit requirements as prescribed by the Department of Banking and Insurance, State of New Jersey.

This report is intended solely for the information and use of the Central New Jersey Regional Employee Benefits Fund's management and members, others within the organization, the Department of Banking and Insurance, and state and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Management's Discussion and Analysis

# **CENTRAL NEW JERSEY REGIONAL EMPLOYEE BENEFITS FUND**

## **MANAGEMENT DISCUSSION AND ANALYSIS**

This section of the annual financial report of the Fund presents a discussion and analysis of the financial performance of the Fund for the year ended December 31, 2010. Please read it in conjunction with the basic financial statements that follow this section.

### **Overview of Basic Financial Statements**

The Fund's basic financial statements are prepared on the basis of accounting principles generally accepted in the United States of America for governmental entities and insurance enterprises where applicable. The primary purpose of the Fund was to provide medical and other health coverage for municipalities and board of educations that are members of the Fund. The Fund maintains separate enterprise funds by incurred years and line of coverage. The basic financial statements are presented on an accrual basis of accounting. The three basic financial statements presented are as follows:

Statement of Net Assets – This statement presents information reflecting the Fund's assets, liabilities, and net assets. Net assets represent the amount of total assets less total liabilities.

Statement of Revenue, Expenses, and Changes in Net Assets – This statement reflects the Fund's operating revenues and expenses, as well as non-operating items during the reporting period. – The change in net assets for an enterprise fund is similar to net profit or loss for any other insurance company.

Statement of Cash Flows – The statement of cash flows is presented on the direct method of reporting, which reflects cash flows from operating and investing activities. Cash collections and payments are reflected in this statement to arrive at the net increase or decrease in cash for the fiscal year.

### **Financial Highlights**

The following tables summarize the financial position and results of operations for the Fund as of and for the years ended December 31, 2010 and 2009.

**Summary Statement of Net Assets**

**Summary Statement of Revenue, Expenses, and Changes in Net Assets**

	2010	2009	Increase/ (Decrease) from 2009	% of Increase/ (Decrease)
Operating Revenue:				
Assessments and Other Income	\$ 40,649,715	33,481,720	\$ 7,167,995	21.41%
Operating Expenses:				
Provision for Claims and Claim Adjustment Expense	34,475,150	27,043,933	7,431,217	27.48%
Reinsurance Premiums	2,634,931	1,938,985	695,946	35.89%
General and Administrative Services	2,300,956	1,757,851	543,105	30.90%
Total Operating Expenses	39,411,037	30,740,769	8,670,268	28.20%
Operating Income/(Loss)	1,238,678	2,740,951	(1,502,273)	-54.81%
Change in Joint Venture	923,811	950,952	(27,141)	-2.85%
Dividend & Interest Income	392,814	57,694	335,120	580.86%
Dividends Paid	2,044,091	2,000,077	44,014	2.20%
Change in Net Assets	511,212	1,749,520	(1,238,308)	-70.78%

Total assets increased by 7.33% and net assets increased by 3.66%. This is a result of an increase in assessments of 21.41%. The large increase in assessments is primarily due to increased membership during 2010.

The “Joint Venture” asset represents the value of the Fund’s share of the Municipal Reinsurance Health Insurance Fund of which it is a member. Its share increased in accordance with an increase in the net assets for that entity.

Claims expense increased by 27.48%, which is in line with the Fund’s actuarial projection and trends in the industry. During the year, professional and administrative operating costs increased by 30.90% as such items continued a trend toward representing an increasing share of total costs. Additionally, as the Fund’s membership increases the claims expense and the administrative cost will increase.

Interest income decreased due to the low interest rate environment which limited the ability of the Fund to earn investment income during this reporting period. During 2010 the Municipal Reinsurance Health Insurance Fund paid a dividend to the member HIF’s and the Fund’s share of the dividend was \$348,375

A dividend of \$2,044,091 was declared and distributed. The Fund established a minimum surplus objective of 3 months of estimated claims, and plans to distribute surplus over a period of years until that level is reached.

### **Economic Conditions**

The CJREBF continues to be affected by inflation of health benefit costs. It’s strategy is to continue to attempt to moderate such increases by leveraging purchasing power with other Funds, using a medical network with a strong regional presence, considering supplementing the existing network, and assisting members with plan design and labor negotiation efforts.

**Note 1: Summary of Significant Accounting Policies**

The accompanying financial statements of the Central New Jersey Regional Employee Benefits Fund have been prepared in conformity with generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board (GASB). In June 1999 the GASB issued Statement 34 *Basic Financial Statements – and Management’s Discussion and Analysis – for State and Local Governments*. This statement established new financial reporting requirements for state and local governmental entities throughout the United States. They require new information and restructure much of the information that governments have presented in the past. Comparability with reports issued in prior years is affected.

The Fund has implemented these standards as of the fiscal year-ending December 31, 2004. With the implementation of GASB Statement 34, the Fund has prepared required supplementary information titled *Management’s Discussion and Analysis*, which precedes the basic financial statements.

Other GASB Statements are required to be implemented in conjunction with GASB Statement 34. Therefore, the Fund has implemented the following GASB Statements in the current fiscal year: Statement 33 – *Accounting and Financial Reporting for Nonexchange Transactions*; Statement 36 – *Recipient Reporting for Certain Shared Nonexchange Revenues*; Statement 37 - *Basic Financial Statements – and Management’s Discussion and Analysis – for State and Local Governments: Omnibus* and Statement 38 – *Certain Financial Statement Note Disclosures*.

The accompanying financial statements present the financial position of the Fund, the results of operations of the Fund, and the cash flows of the proprietary funds. The financial statements are presented as of December 31, 2010, and for the year then ended.

**Basis of Accounting**

The Fund utilizes the accrual basis of accounting whereby revenue is recorded as earned and expenses are reflected as incurred.

**Cash and Cash Equivalents**

Cash and cash equivalents includes all cash balances and highly liquid investments with a maturity of three months or less. The Fund places its temporary cash investments with high credit quality financial institutions. At times such investments may be in excess of the FDIC insurance limits.

**Income Taxes**

The Fund is a tax-exempt organization and is not subject to either federal or state income taxes.

**Assessments**

The assessments of the participating members are determined and certified by the actuary and approved by a majority vote of the Fund Commissioners.

**CENTRAL NEW JERSEY REGIONAL EMPLOYEE BENEFITS FUND**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2010**

**Note 1: Summary of Significant Accounting Policies (continued)**

**Unpaid Claims Liabilities**

The Fund establishes claim liabilities based on estimates of claims that have been incurred but not reported. The length of time for which such costs must be estimated varies depending on the coverage involved. Claims liabilities are recomputed periodically using a variety of actuarial and statistical techniques to produce current estimates that reflect recent settlements, claim frequency, and other factors. These liabilities are subject to variability between estimated ultimate losses determined as described and the actual experience as it emerges, including the impact of future changes in claim severity and frequency and other factors. Adjustments to claims liabilities are charged or credited to operations in the periods in which they are made.

**Organization**

The Fund consists of a 28 membership group as of December 31, 2010. Each municipality assigns a commissioner to the Fund. An executive committee is elected consisting of 6 commissioners and 1 alternate. The commissioners elect the officers: a chairperson and a secretary for 1-year terms.

**Reinsurance**

The Fund uses reinsurance agreements to reduce its exposure to large losses on certain types of insured events. Reinsurance permits recovery of a portion of losses from reinsurers, although it does not discharge the primary liability of the Fund as direct insurer of the risks reinsured.

**Memo Totals**

Overviews are captioned 'Memo Only' to indicate that they are presented only to facilitate analysis. The total amounts do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. Interfund eliminations are not made in the aggregation of this information. The information is not comparable to consolidated information.

**Note 2: Nature of Operations**

The Fund was created in February, 1992 in accordance with P.L. 1983, C. 372, entitled "An act concerning joint insurance funds for local units of governments, and supplementing Chapter 10 of Title 40A of the New Jersey statutes." The Fund is a self-administered group of municipalities established for the purpose of providing self-funded employee benefits for the member municipalities. The following coverages are offered by the Fund to its members at the choice of the individual member unit:

- |            |                 |               |
|------------|-----------------|---------------|
| a) Medical | c) Vision       | e) Disability |
| b) Dental  | d) Prescription |               |

**CENTRAL NEW JERSEY REGIONAL EMPLOYEE BENEFITS FUND**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2010**

**Note 2: Nature of Operations (continued)**

A participating municipality may be terminated by a majority vote of the Fund Commissioners or a two-thirds vote of the Executive Committee for nonpayment of assessments or continued noncompliance after written notice to comply with the bylaws or other obligations. Termination may occur only after proper notice has been given, in accordance with the Fund's bylaws. A participating member may withdraw before the end of its membership by giving proper notices and following required procedures at least sixty (60) days before the date of withdrawal.

The Executive Director/Administrator is responsible for the overall administration of the Fund. Fees paid to the Executive Director/Administrator encompass all administrative duties, which are performed at the Executive Director/Administrator's office. Accordingly, the Fund does not maintain any fixed assets or incur any employee payroll expense.

**Note 3: Claims Liabilities - IBNR Reserves**

In order to recognize unpaid losses, as discussed in the Summary of Significant Accounting Policies, a reserve is calculated and certified by the Fund's actuary, Actuarial Solutions.

**Note 4: Reinsurance Receivable**

The Fund also maintains contracts for excess insurance, covering losses in excess of an amount established between the Fund and the insurers up to the limits of coverage set forth in the contracts on a specific occurrence, per accident or annual aggregate basis. The estimated reinsurance recoverables on the unpaid claims are:

	<b>Fund Year 2010</b>	<b>Fund Year 2009</b>	<b>Closed Year</b>	<b>Total</b>
Specific	<u>\$409,512</u>	<u>\$318,057</u>	<u>\$ -0-</u>	<u>\$727,569</u>

A contingent liability exists with respect to reinsurance, which would become an actual liability in the event the reinsuring company might be unable to meet their obligations to the Fund under existing reinsurance agreements.

**Note 5: Cash and Cash Equivalents and Investments**

The Fund is governed by the deposit and investment limitations of New Jersey state law. The Deposits and investments held at December 31, 2010, and reported at fair value are as follows:

**Custodial Credit Risk** – Deposits in financial institutions, reported as components of cash, cash equivalents and investments had a bank balance of \$14,509,206 at December 31, 2010. Of the bank balance \$1,000,000 was fully insured by the FDIC (Federal Depository Insurance Corporation) and \$13,509,206 was secured by a collateral pool held by the bank, but not in the Fund’s name, as required by New Jersey’s Governmental Unit Deposit Protection Act (GUDPA). The Governmental Unit Deposit Protection Act is more fully described in Note 6 of these financial statements.

**Investment Interest Rate Risk** – The Fund has a formal investment policy that states securities shall be purchased with the ability to hold until maturity. Investment selection will be limited to maturities not exceeding the estimated duration of the Fund's liabilities.

**Investment Credit Risk** – The Fund has an investment policy that limits its investment choices other than the limitation of state law as follows:

- Bonds or other obligations of the United States of America or obligations guaranteed by the United States of America;
- Government money market mutual funds;
- Any obligation that a federal agency or federal instrumentality has issued in accordance with an act of Congress, which security has a maturity date not greater than 397 days from the date of purchase, provided that such obligations bear a fixed rate of interest not dependent on any index or other external factor;

- Bonds or other obligations of the Fund or bonds or other obligations of the local unit or units within which the Fund is located;
- Bonds or other obligations, having a maturity date of not more than 397 days from the date of purchase, approved by the Division of Investment in the Department of Treasury for investment by the Fund;
- Local Governments investment pools;
- Deposits with the State of New Jersey Cash Management Fund established pursuant to section 1 of P.L. 1977, c.281; or
- Agreements for the repurchase of fully collateralized securities with certain limitations.

**Concentration of Investment Credit Risk** – The Fund places no limit on the amount it may invest in any one issuer.

**Note 6: Governmental Unit Deposit Protection Act (GUDPA)**

The Fund has deposited cash in 2010 with an approved public fund depository qualified under the provisions of the Government Unit Deposit Protection Act. In addition to savings and checking accounts the Fund invests monies in certificates of deposits.

The Governmental Unit Deposit Protection Act P.L. 1970, Chapter 236, was passed to afford protection against bankruptcy or default by a depository. C.17:9-42 provides that no governmental unit shall deposit funds in a public depository unless such funds are secured in accordance with this act. C.17:9-42 provides that every public depository having public funds on deposit shall, as security for such deposits, maintain eligible collateral having a market value at least equal to either (1) 5% of the average daily balance of collected public funds on deposit during the 6 month period ending on the next preceding valuation date (June 30 or December 31) or (2) at the election of the depository, at least equal to 5% of the average balance of collected public funds on deposit on the first, eighth, fifteenth, and twenty-second days of each month in the 6 month period ending on the next preceding valuation date (June 30 or December 31). No public depository shall be required to maintain any eligible collateral pursuant to this act as security for any deposit or deposits of any governmental unit to the extent such deposits are insured by F.D.I.C. or any other U.S. agency which insures public depository funds.

No public depository shall at any time receive and hold on deposit for any period in excess of 15 days public funds of a governmental unit(s) which, in the aggregate, exceed 75% of the capital funds of the depository, unless such depository shall, in addition to the security required to be maintained

**Note 6: Governmental Unit Deposit Protection Act (GUDPA) (continued)**

under the paragraph above, secure such excess by eligible collateral with a market value at least equal to 100% of such excess.

In the event of a default, the Commissioner of Banking within 20 days after the default occurrence shall ascertain the amount of public funds on deposit in the defaulting depository and the amounts covered by federal deposit insurance and certify the amounts to each affected governmental unit. Within 10 days after receipt of this certification, each unit shall furnish to the Commissioner verified statements of its public deposits. The Commissioner shall ascertain the amount derived or to be derived from the liquidation of the collateral maintained by the defaulting depository and shall distribute such proceeds pro rata among the governmental units to satisfy the net deposit liabilities to such units.

If the proceeds of the sale of the collateral are insufficient to pay in full the liability to all affected governmental units, the Commissioner shall assess the deficiency against all other public depositories having public funds on deposit determined by a formula determined by law. All sums collected by the Commissioner shall be paid to the governmental units having deposits in the defaulting depository in the proportion that the net deposit liability to each such governmental unit bears to the aggregate of the net deposit liabilities to all such governmental units.

All public depositories are required to furnish information and reports dealing with public funds on deposit every six months, June 30th and December 31st, with the Commissioner of Banking. Any public depository which refuses or neglects to give any information so requested may be excluded by the Commissioner from the right to receive public funds for deposit until such time as the Commissioner shall acknowledge that such depository has furnished the information requested.

Upon review and approval of the Certification Statement that the public depository complies with statutory requirements, the Commissioner issues forms approving the bank as a municipal depository. The Fund should request copies of these approval forms semiannually to assure that all depositories are complying with requirements.

**Note 7: Membership in Joint Health Insurance Fund**

In 1999, the Fund became a member of the Municipal Reinsurance Health Insurance Fund (the "MRHIF"). The MRHIF is a risk-sharing public entity risk pool that is a self-administered group of joint health insurance funds established for the purpose of assuming and discharging the liabilities associated with loss reserves of participating members. The transfer of these loss reserves to the MRHIF results in the closing of those fund years and the un-encumbering of the retained earnings related to those closed fund years. Each member appoints an official to represent their respective joint health insurance fund for the purpose of creating a governing body from which officers for the MRHIF are elected.

**CENTRAL NEW JERSEY REGIONAL EMPLOYEE BENEFITS FUND**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2010**

**Note 7: Membership in Joint Health Insurance Fund (continued)**

As a member of the MRHIF, the members could be subject to supplemental assessments in the event of deficiencies. If the assets of the MRHIF were to be exhausted, members would become jointly and severally liable for the MRHIF's liabilities.

The MRHIF can declare and distribute dividends to members upon approval of the State of New Jersey Department of Banking and Insurance. These distributions are divided among the members in the same ratio as their individual assessment related to the total assessment of the membership for that fund year.

At December 31, 2010, the MRHIF carried surplus balances of \$10,889,913. The Fund's equity interest in the MRHIF equates to \$2,987,886. Dividends on this surplus have not been declared and this investment is being carried as other assets on the financial statements of the Fund.

**SUPPLEMENTARY INFORMATION**

**INDEPENDENT AUDITOR'S REPORT ON  
SUPPLEMENTARY INFORMATION**

The Honorable Chairman and Members  
of the Board of Commissioners  
Central New Jersey Regional Employee Benefits Fund

We have audited and reported separately herein on the basic financial statements of the Central New Jersey Regional Employee Benefits Fund Years 2010, 2009 and closed years.

Our audit was made for the purpose of forming an opinion on the basic financial statements of the Central New Jersey Regional Employee Benefits Fund taken as a whole. The required supplementary information included on pages 19 through 29 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
